Appeal no 133 of 91.

Petitioners.
Boramah & others ryots
of Soolekere, Arsikere Taluq
Hassan District.

This is a case of right
to pasturage under Sec 40
of the Land Revenue rules.
The villagers of Hemdlapur
appear to have been grazing
their cattle on Soolekere
lands paying a small
fee of Rs 5 per annum to
the Soolekere villagers.
The latter demanding
a higher sum than that
usually paid, a dispute
arose between the two villages.
In 1886 the Amildar
settled the dispute directing
that the Hemdlapur villagers

should pay 1/3 of the
Mullaani amount and
enjoy a share in the rights
of pasturage on Soolekere
Lands. To this settlement both
the villagers agreed for the time
being. In 88-89 the ryots
of Soolekere again disputed
the rights of the Chendlapur
villagers. After Correspondence between the Mul-
dar & Dy Commissioner the latter
office at last instructed the
Amildar to apportion acres
of assessed wastes for
Chendlapur villagers. thus
deficiency being met from Gomal
Lands of Soolekere.

The ryots of Soolekere not
agreeing to the apportionment
thus made the whole of the Govt
wastes of Soolekere were
divided into "Jaks" and
put up for sale. Chendlapur
ryots purchased a portion
of 90-2 acres 9 for Rs 3-4-—

The appellants' petition is with reference to the above order.

They represent—

(1) The Hulgavalu in Chendlapur (lapsed) is quite sufficient for the purpose of that village.

(2). That the grazing in Soolekere is hardly sufficient for the purpose of this large village.

(3) That the Chendlapur villagers never enjoyed as manoo a share in the Hulbanni of Soolekere.

The points in dispute are-

(1) Whether the Chendlapur villagers enjoyed a share in the Hulbanni of Soolekere

(2). Whether the grazing in Soolekere is barely sufficient for the purposes of the village and whether there is sufficient grazing in Chendlapur for the Cattle of that village.

The records show that Chendlapur never had been enjoying a share of Hulbanni of Soolekere

even before the transfer
in 1881 of Chendlapur from
Tipturto the Arsikere Taluq
and that the Chendlapur
villagers hold in Sulakere
lands assessed at Rs 88-12-0
The statistics of the two
villages are shown below—

~~No 88~~

On the complaint of the Respts
the Asst Commr of Chendakere decided
that ~~out of the Gomal lands of the appts village~~
~~Arakere, 30 acres should be given to the Respts~~
30 acres of Gomal lands
90 acres of assessed waste or Halbanne
lands of the appts village Arakere, should be
made over to the Respts, as the lands of
their village were insufficient for their cattle,
& as they always grazed their cattle on
the lands of Arakere — The appts not
having agreed to the arrangement, all the
~~remaining~~ Halbanne lands of Arakere
minus those given to Respts were
ordered to be sold in Public auction.

5

By mutual agreement by Public auction at which
about 126 acres
[illegible]
were purchased by
one Lopezundia of
Colombo for Rs 1048-
& the
appts complain
against the above as allowed,

& no bidders having
come forward for
the remaining lands, they
were ordered to be
conveyed on behalf
of Govt.

2. The areas of gonal
& Halbarre lands & the
number of Cattle in both
the Vrege are as seen below.

	Number of Cattle	Halbarre grazing waste	Gonal
Dalakere	553	517	183
Cheetlapur	197	12	19

3 Respts have Putta
lands in Dodekere
to the extent of 92 acres
assessed at Rs 88-12 —

4. So far as Govt
assessed waste is
concerned, the Govt
is competent to make
any arrangement the

may deem proper, & considering the small extent of waste the Chittabapur ryots have, the decision of the Dy Court is equitable & is confirmed. As to regards Gomal lands, the Survey Dept having assigned a separate tract for each village, the Dy Court had no power to disturb the arrangement made by them & his order transferring 30 acres to the Respts is cancelled. Whether the Respts have a right to graze their cattle on the Gomal lands of Arakeri in preference to the Pattah lands they possess in that village is a different question which is now under the consideration of Govt & will be separately disposed of.—

It does not appear

1 that 90 acres should be made over to Respts

Appts also at the hearing stated they have no objection to the grant of Huldanne lands to Respts in the manner settled by the Dy Court.—

that the sale of 126 acres of Hulburni lands & Sogo grounds has been got confirmed by the Dy Comr of Do. the sale may be cancelled & the usual Hulburni leases from the 1st prox.—

5. The Report received from the Dy Comr on the subject is at variance with the facts of the case ~~as~~ elicited from the records & is misleading— More can shortly be taken in future.—

Note
the non receipt of a portion of the Dy Comrs order. Can we do so without hearing the people? I think hearing is not necessary, as we go on broad principles, & not with reference to any special circumstances of the case.

I am afraid we can't be illegal & modify or vary the order of Govt without hearing the parties who are to be affected by the order proposed from Stamp we ought to get return from Mamlatdar

ABSTRACT.

State that the Chandagal Village was the Amildar of Arsikere grant them a portion Arsikere Inam land. petitioners were cultivating by the Amildar to whom they depos effect that the land in question would not afford their cattle enough of fodder, they were often dri to the extremity

ing their cattle with their
ves and driving them
e to the Vendagal
Ellugavel to graze therein.
spite of this the Amildar
orted to the Deputy
missioner in favor of
applicants stating that
had been grazing
ir cattle in the
llugavel in question
a long time. Subsequently
Amildar favored them
h endorsement No 65
arning them that
Deputy Commissioner
ctioned the grant to the
ndagal Villagers, 50 acres
19 guntas of Arikeri
durage land. The
itioners then submitted
e case to the Deputy Comm.r
in his endorsement No 3.
ted 17/1/79 refused to

interfere with former decision. Petitioners now beg leave to draw attention to the following facts:

(1) The hoolligavel attached to the Chendagal Village quite answers the purpose of the inhabitants there being only 7 or 8 houses and about 70 heads of cattle. Whereas in Arsekere 100 houses of ryots and nearly 100 heads of cattle and its pasturage land does not supply enough of fodder. Moreover Chendagal is one of the Villages of Sankaranahalli Pirka to which cattle village it is very near so that if Chendagal Village do want a hoolligavel they should be given a part of that of Sankaranahally.

(2). The Amildar's opinion

that the Cher
grazed the Cat
from the lie
-not be supported, for
Chendagal, which was
within the jurisdiction
of the Sirsi Taluk, has
been very recently
brought within the
limits of Arsikeri Taluk.
Therefore it is impossible
that its inhabitants
should have been en-
joying the grazing right
for a long time

For the foregoing
reasons petitioners
pray that the excise
Gomal land in question
may be ordered to be
given back to them.

District Depu
Order No 9 c dated 1/18/1

"From previous records it appears that the fact with the Chendagal Villagers had been for a long time grazing their Cattle in your Kuttingaval, was brought to the notice of the Distri Authorities and that it was, by this office order No 10/6 dated 1/1/1 decided that the land in question should be divided between and the Chendagal gers. Therefore the ion arrived at in se Cannot now terfered with."

In 1850 the Villagers of Chenda

that their Cattle have been
grazing in the Government waste
lands of Sulakkare for a long
time and that the Villagers
of Sulakkare objected to this
and refused to allow their
Cattle to graze accordingly
said that they would permit
the Cattle to graze on their pay-

being the amount of Rent.

Ramen for the previous year.

Some of the Villagers of Sulakkare
stated that they did not give
- rent the Cattle but they only
demanded Ant Ramen viz: Rs. 10,

due for previous years notice
others x admitted that the cattle
have been grazing in their
jungles for a long time and
stated that they were not
aware that any Compensation
had been levied for the same.
The Reps of Chemindapur
again stated they were yearly
paying Rs 5/- on account
of Panni tax. Reps of
Salatane for grazing their
cattle and that they remand

they stated the payment
for the 2 previous years.
The neighbouring villages
viz: Agasnoor, Ommanahy

that the Chemindapur cattle

& Karadatti
villagers
deposed
that they
knew
that the

cattle

were grazing in Sukatere jungle.

During the Sakri Samadanaj of the year 1886-87 it was decided that out of the 2 years Sukhanni collected as stated above the amount of Sukhanni for one year should be paid by the Riyats of Chenaiapur to the villagers of Sukatere and that for the future 3/4th of the annual Sukhanni should be paid by the Chenaiapur villagers and the remaining 3/4th by Sukatere villagers. To this both the villagers agreed.

2. In 1888-89, the Riyats of Sukatere again complained that the Chenaiapur villagers should not be allowed a share in their jungles for grazing purposes.

The Commissioner conferred the Settlement made in the Sault Tahsildary of the Tirunelveli District. He however directed that the Settlement should be brought to his notice during the Tahsildary of that year. The Ryots of Sulakarai did not agree to this Settlement and the Tahsildar of Sulakarai was therefore instructed to enquire into the matter (Lapsed) and thereupon Tahsildar increased it for Rs. 19-0-0.

3. On Enquiries subsequently made the Tahsildar ascertained that the Statistics from the Village Officers were after Inquiry and Suggested that the wet land should be divided into two classes

Government wastes of Sulakere
were apportioned. The Pyatis of
Chendalapura agreed to this
settlement but the Pyatis of
Sulakere did not. The whole
Government wastes were there-
-fore divided into "Patis"
and put up to auction. Chen

a "Pati" of 90 acres and 2 guntas
for Rs. 3-4-0 and there were
no bids for the remaining

Decision. 17-11-92.

On the complaint of the Respondents, the inhabitants of Chandrajur, the Deputy Commissioner decided that:—

30 acres of Gomal land and 90 acres of assessed waste or Kulkarni lands of the Appellants' village, Soolakere, should be made over to the Respondents, as the lands of their village were insufficient for their cattle, and as they always grazed their cattle on the lands of Soolakere. The Appellants not having agreed to this arrangement, all the Kulkarni lands of Soolakere minus those given to Respondents were order[illegible]

to be sold in a Public auction. They were accordingly sold by Public auction at which 126 acres were purchased by one Jorge Jorda of Chandapur for Rs 4-8-, and no bidders having come forward for the remaining lands, they were ordered to be conserved on behalf of Government. The Appellants complain against the above settlement.

2. The areas of gomal and Nullumi lands and the number of cattle in both the villages are as shown below,

the villages and any deficiency of land that may fall to the share of Chendalapur should be made good by allotting to it a portion out of Sulakere wastes. The Dy Commissioner thereupon decided that one hundred acres out of Govt. aspered wastes of Sulakere should be assigned for Chendalapur on payment of Banni to Govt. direct, there being enough of Gomal for Sulakere and that the arrears of Rs. 34, due to Govt. for the years Viradhi & Vikrama, which were remaining unrealized should be levied equally from both the villages. He directed also that, if the whole 100 acres could not conveniently

subject to fluctuations as
applications for cultivation
or relinquishments are
received, the aggregate gomal
should first be apportioned
according to the number of

ryots have, the decision of the Deputy Commissioner that 90 acres should be made over to Respondents is equitable and is confirmed, Appellants also stated at the hearing that they had no objection to the grant of Hulbanni lands to Respondents in the manner settled by the Deputy Commr. As regards Gomal lands, the Survey Department having assigned a separate tract for each village, the Deputy Commissioner had no power to disturb the arrangement made by ~~the survey dept~~, and his order transferring 30 acres to the Respondents is cancelled. Whether the Respondents have a right to graze their cattle in the Gomal lands of Soolekeri in proportion to the Patta lands they possess in that village is a different question which is now under the consideration of Government and will be separately disposed of.

5. It does not appear that the sale

of 126 acres of Hulbanni lands to Joge Gowda has been yet confirmed by the Deputy Commissioner. If so, the sale may be cancelled, and the usual Hulbanni levied from the Appellants.

6. The Report received from the Deputy Commissioner on the subject is at variance with the facts of the case elicited from the records and is misleading. More care should be taken in future.
